With commission of the National Agency for International Development Cooperation of the People's Republic of China, I have the great honor to inform your Excellency that this year the Chinese government would like to offer 39 China-aid degree education programs for Jordanian participants (see annex).

General instructions for applicants are as following:

These 39 programs include one-year and two-years' master programs as well as three-years' doctoral programs. These programs will provide assistance to governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English.

General admission requirements include a bachelor's degree, relevant working experiences, English language proficiency and decent physical conditions, essential for the high-compact curriculum needed for the degrees. All programs are sponsored by the National Agency for International Development Cooperation of the People's Republic of China. The scholarship will cover tuition, living expenses,

accommodation, textbooks, round-trip international airfares (one time per year) and costs related to study trips.

Jordanian applicants should provide hard copy of all required materials through MOPIC to the Economic and Commercial Office of Chinese Embassy in Jordan, as well as a written request to the Commercial Office for an official recommendation letter and clearly state: whether the applicant is willing to be considered for a similar program at other universities.

The applicant who has obtained a recommendation letter from the Economic and Commercial Office shall then proceed to apply online as the apply instruction stated before the deadline.

Admission results will be notified by related universities to the applicants and Chinese Embassy. **Please nominate and provide my office the list of recommended candidates and all necessary documentations before June 1, 2019.**
